Sir:

The references cited on attached form PTO-1449 are being called to the attention of the Examiner. Copies of the references are enclosed. It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information. This Information Disclosure Statement is being **re-submitted** clarifying the reference filed on September 3, 2003. The Examiner submits that the applicant submitted as reference, JP 2002-173007 and not JP 2000-370979 as indicated on FORM-PTO

1449, please note that the applicant inadvertently indicated the reference in its application form and not the published number JP 2002-173007, and thereby indicated on a newly submitted IDS.

Applicant believes that no fee is required for submission of this statement.

However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 50-0310. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
